

Moxie Studios Newsletter

FOR THE STUDIO OF DAWN LINDSAY

Welcome Back!

With school starting back up, I'm sure many of you are both excited and busy. I hope you have a fun and learning-filled year to come!

Please remember that the **regular lesson schedule starts on Labor Day, September 5th**. If you would like to schedule lessons for the week of August 20th or August 27th please contact me to schedule and confirm. Because I'm on a somewhat limited teaching schedule, which may include some travel, please don't assume that your regular lesson time will be available. The regular Fall schedule for the studio is included on page 3 of this newsletter and attached in the email as a PDF.

This year I will have a studio assistant who is an alumna of our studio. Meghan Caves graduated in 2012 and has returned to Anchorage after completing her college degree. Meghan will help with some event organization, our newsletters, and will be putting together a website as a resource for the studio. You will be seeing emails from her and I may have her coordinate some events with RSVP, scheduling, and the like.

All-State Audition Preparation

I will be offering an All-State Orchestra audition prep class **on Sunday August 27th from 4-6pm** at the studio. This is specifically for high school students who are involved in their high school orchestra and would like to participate in All-State Orchestra later in the Fall.

The audition recordings are due mid-September. **Please RSVP by email and bring \$15 cash or check, all of your All-State Audition music, a polished solo to play for everyone, and a music stand.** We will cover all of the audition materials as well as strategies. This will also serve as a meet and greet for the high schoolers in the studio and delicious snacks will be served after! **If you're auditioning for All-State, I want you here unless you have a dire conflict.**

Junior Youth Orchestra Auditions

JYS auditions for public middle school students enrolled in orchestra are **September 11-14**. You must play a prepared solo and a D and F major scale as well as some sight reading. **See your orchestra teacher for information on signing up for an audition.**

Mark your calendars!

STUDIO BACK TO SCHOOL POTLUCK

September 15th, 5-7:30pm

This will be a celebration of the new Moxie Studios space and a chance for families, new and old to meet and visit in a relaxed setting. The goal of this event is to have fun to emphasize studio community and generate excitement and comradery for the upcoming school year.

- 5:00-6:00 – Food and fellowship
- 6:00-6:30 – Suzuki Play-in
- 6:30-7:30 – Informal Recital Showcase

Solos are welcome for the informal showcase but I am especially looking for ensembles to play. Are you in a fiddle band, duo, string quartet, or other fun group? This is your chance to shine. I know many of you are and I will be asking you!

Are there any parents who might want to help organize this fun event? Please let me know!

Studio Directory

Studio_Directory.xlsx

Meghan has compiled an Excel spreadsheet to serve as a directory of the students, parents, and other members of the studio. The spreadsheet has been attached to this email and will hopefully help with intra-studio communication. If you have any issues viewing the file please contact Meghan at caves.meghan@gmail.com.
